SED INSTRUCTIONS

Below are the instructions for printing your own Shipper's Export Declaration online. If you have questions on how to fill out the document after reading the instructions, please contact AES at: +1 (800) 549-0595.

On the web, go to: www.cbp.gov , when the site comes up, you will see some tabs across the page, click on Export. Once you get on that page go to the bottom and click on the link that says: Shipper's Export Declaration (SED) Form - Reminder. When you get to that next page, on the right side of the page is a box that says: On the web: 7525V - Shipper Export Declaration, click on that link and say ok. This will bring you to the SED Form, which you can then print.

This form must be filled out and copied onto Gold bond or Buff colored paper. Three colored copies of this document are required by U.S. Customs. Once completed and signed, you can overnight this document to us to present to U.S. Customs.

For instructions on how to prepare this document, you can go back to the first page of the Export portion of website, on the right hand side is a blue box entitled: Quicklinks.
